

# HORIZONS

ART OF HOSPITALITY

Providing a safe environment for our clients, guests and employees is our top priority. We are continually updating our best practices to provide and maintain a safe and healthy facility. HORIZONS continues to follow the precautionary guidelines of the CDC and other public health organizations, which include:

- Increased signage outlining advisable precautions  
(*e.g. frequent handwashing, safety recommendations, etc.*)
- Regular cleaning of high touch, and high traffic areas such as entry ways, door handles with CDC recommended products.
- Regular cleaning and sanitizing of facility public spaces and restrooms.
- Adding hand sanitizer stations at various locations throughout the facility.
